Office of Petitions:

Attached please find my petition to revive an unintentionally abandoned patent application, 09/770,150. I also provide some background herein.

I phoned examiner Thein upon receipt of a restriction requirement in March of 2004 to clarify questions regarding a restriction requirement and then filed both a change of address form and my response to the restriction requirement (a copy of which is enclosed). Those were filed in a timely fashion. Unfortunately, the attached Response to Restriction Requirement does not appear to have ever arrived at the examiner's desk. Though I have scanned copies of certificates of mailing, many of my files received water damage recently. Thus, I have the dual problems of that response not making it to the examiner's desk, and not being able to produce a clear certificate of mailing to prove it was sent.

Therefore, I attach a Petition For Revival Of An Application For Patent Abandoned Unintentionally Under 37 CFR 1.137(B). A check for the required fee of \$685 is also enclosed.

Thank-you for your attention in this matter. Please feel free to call me if there are any questions,

Dear Ms Thein:

This communication is filed in response to the Office Action dated March 16, 2004.

Election/Restrictions

In paragraph 1 of the Office Action, it was asserted that the above-referenced application contains claims directed to the following patentably distinct inventions:

- I. Claims 1-32, drawn to a method of displaying an image of an item for sale or auction, classified in class 705, subclass 27.
- II. Claims 33-41, drawn to a method of simulating the appearance of one or more items for sale or auction, classified in class 705, subclass 27.
- III. Claims 42-44, drawn to a method of selecting candidate items for possible purchase, classified in class 705, subclass 26.

I, the applicant, elect **Group I** (claims 1-32) for prosecution on the merits.

In addition, please note that my contact information has changed. I previously filed a form SB/122 on March 1, 2004 and have included a copy with this response.

Respectfully Submitted,

A handwritten signature of Brian L. Whitworth.
